

I just want to plead with you to PLEASE help stop all the VIOLENT TV PROGRAMS and all of the SEXUAL CONTENT in them also!!!!!! I'am a 32 year old mother of a 13 year old son.I feel so uncomfortable just sitting down and watching a little TV with him after a long day of work.Every thing is about sex,money,drugs,violence,gays and lesbian realationships etc.... WHY,WHY,WHY??? So then,I turn the TV off and turn on the radio and its all the same thing!! I cant believe some of the laguage they are aloud to use on the radio!! How can all this happen?? Who is in charge? I need to speak with someone.I'm not an elderly person either, IM 32,.. and I think ALL this is getting way out of hand!! NO wonder all our children are so bad and disrespectful.Look what society is teaching them. We have to do something.PLEASE,PLEASE DO SOMETHING TO GET THIS TO STOP. I will help too, I will do any thing. Thank you for listening and Thank you in advance for your help. And may Jesus help us all!! Amanda in Indiana
